Re: Closure of Administrative Order
Ridgewater Improvement District
Docket No. SDWA-08-2002-13
PWS ID# WY5600285C

Dear Mr. Jordan:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket Number SDWA-08-2002-13, issued to Ridgewater Improvement District on May 20, 2002. Notwithstanding the September 2002 failure to monitor for total coliform bacteria violation, the EPA has determined that you have complied with the requirements of the Administrative Order; therefore we will close the Order at this time.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations ("NPDWR"), 40 C.F.R. part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$27,500 per day of violation.

If have any questions about your compliance requirements, please call Lisa Kahn of my staff at (303) 312-6896.

Sincerely,

SIGNED

Diane L. Sipe, Director
Technical Enforcement Program
Office of Enforcement, Compliance
and Environmental Justice
